# MISSION

We believe that true **success** begins with **education**. Our **mission** is to offer candidates from outside the European Union the **opportunity** to come to Romania for **professional training** — to learn, get certified, and then be prepared to **start a legal job in Europe**.

We focus on education, ensuring every graduate is ready to perform and integrate successfully.

# OUR VISION

## Education First

We provide complete training — building knowledge, confidence, and real skills.

## Transparency & Trust

Every step is clear, legal, and safe — from enrollment to graduation.

## Respect & Inclusion

We welcome people from all cultures and help them adapt to European standards.

# WHY CHOOSE US

## Hospitality Training Programs in Romania

We invest in people through **specialized training programs** designed for the HoReCa industry and related sectors.

Our training centers in Romania, coordinated by **certified professionals**, **prepare** and **qualify** candidates to the **highest** European hospitality **standards**.

We focus on **education**, ensuring every graduate is ready to perform and integrate successfully.

All training programs are **officially licensed** and **certified** by **Romanian authorities**, ensuring professional qualifications **valid** in the European labor market.

*Occupations covered: Chef and Bartender*

# BENEFITS

Professional training aligned with industry requirements.

You become a certified professional, ready to work anywhere in Europe.

Quick and efficient integration into multicultural teams.

We have created a **Training and Excellence Center** that delivers **bilingual** programs (Romanian and **English**) across our six locations in Arad, Timișoara, Cluj, Iași, Constanța, and Bucharest.

# DISCOVER ROMANIA

## 10 Things You Should Know About Romania

1. Romania is one of the **safest** countries in Eastern Europe, with **welcoming people** and a **calm lifestyle**.
2. As a full **EU** and **Schengen member**, Romania offers access to **European standards** in **education, work, and travel**.
3. Food, accommodation, and transport are **much cheaper** compared to Western Europe, **making Romania ideal for students** and trainees.
4. Romania offers both **the Black Sea coastline** with **sunny beaches** and **the majestic Carpathian Mountains** with breathtaking landscapes.
5. **Enjoy warm summers (25–35°C)**, colorful autumns, mild springs, and snowy winters — a **perfect mix** of climates throughout the year.
6. Many young **Romanians speak English and French**, and **most institutions use English** for training and communication.
7. **Romanians** are known for their **kindness, warmth, and respect** toward **international guests**.
8. Romania has **one of the fastest internet speeds in the world** — and free Wi-Fi in most public places.
9. **Access to modern medical services** and **pharmacies**, even in smaller towns.
10. **Students from over 100 countries** come here every year to study, make friends, and **start their European careers**.

*“Believe in yourself,  
we already do.”*
